

With the changing pace of Marketing...
Triad is expanding its Services by *Choice*.

Choice Productions joins Triad Creative Group. The world of Marketing is changing at the speed of technology. The internet is evolving as the primary source of information, and with it, E-marketing. Triad is proud to announce that Choice Productions, an E-marketing company is joining its Award-winning Creative Team. Triad continues to provide a total venue of marketing services, now with the Choice of taking your website and E-commerce to the next level through search engine optimization, video production and animation. In addition, we can now assist you in taking full advantage of cost effective e-newsletters and viral marketing through social media applications such as LinkedIn, Facebook and Twitter.
